REPORT

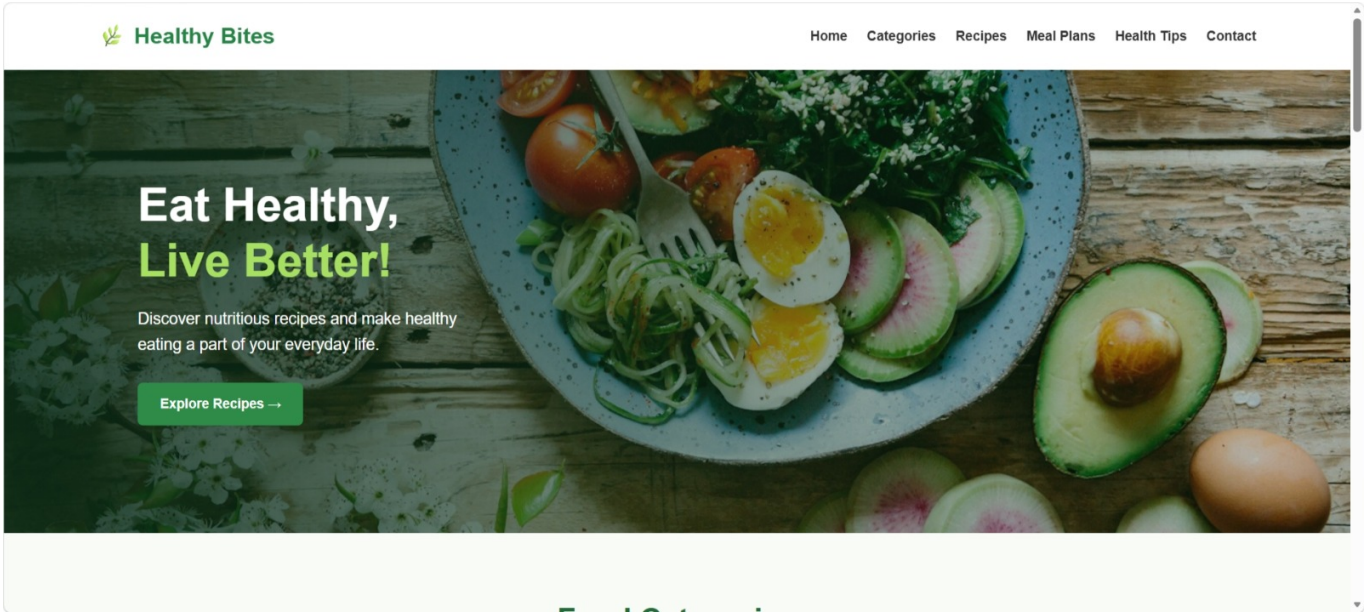

Consolidated Website Projects

Healthy Bites | Grand Palace Hotel | Explore India

This report presents screenshots and brief descriptions of three responsive website interfaces: a healthy food and recipe site, a hotel reservation site, and an Indian tourism and heritage site.

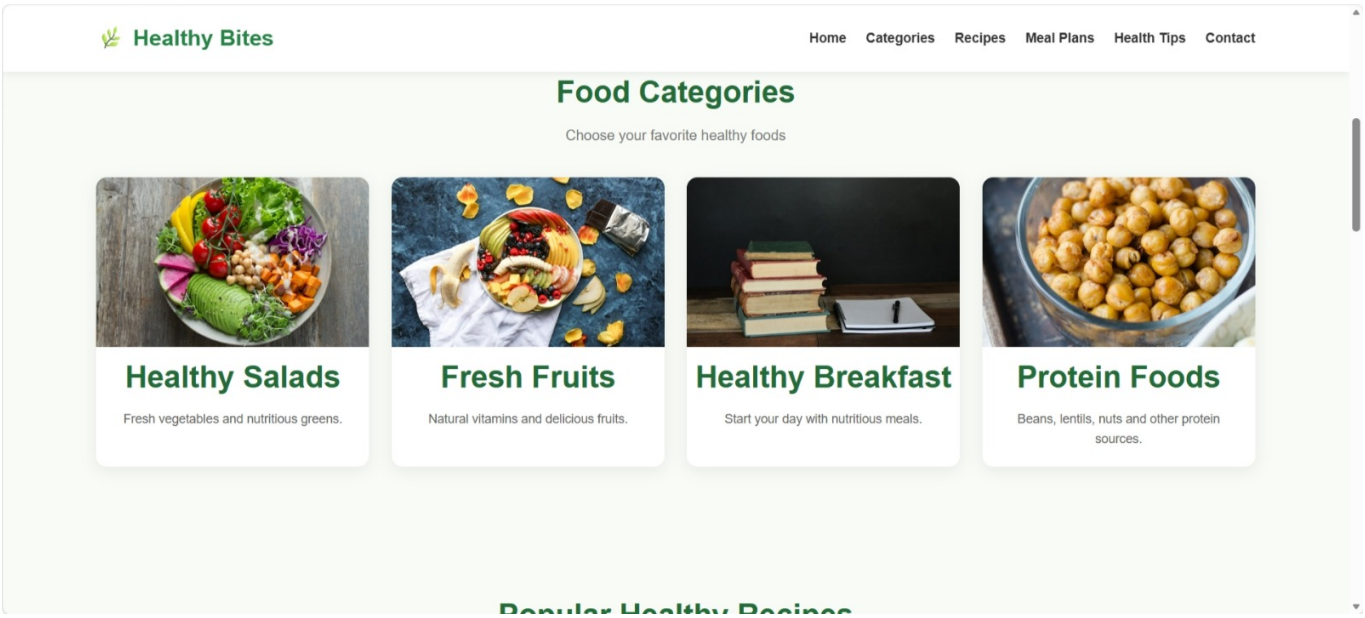

01. Healthy Bites - Home

The home page introduces healthy eating with a colorful food banner and navigation links.

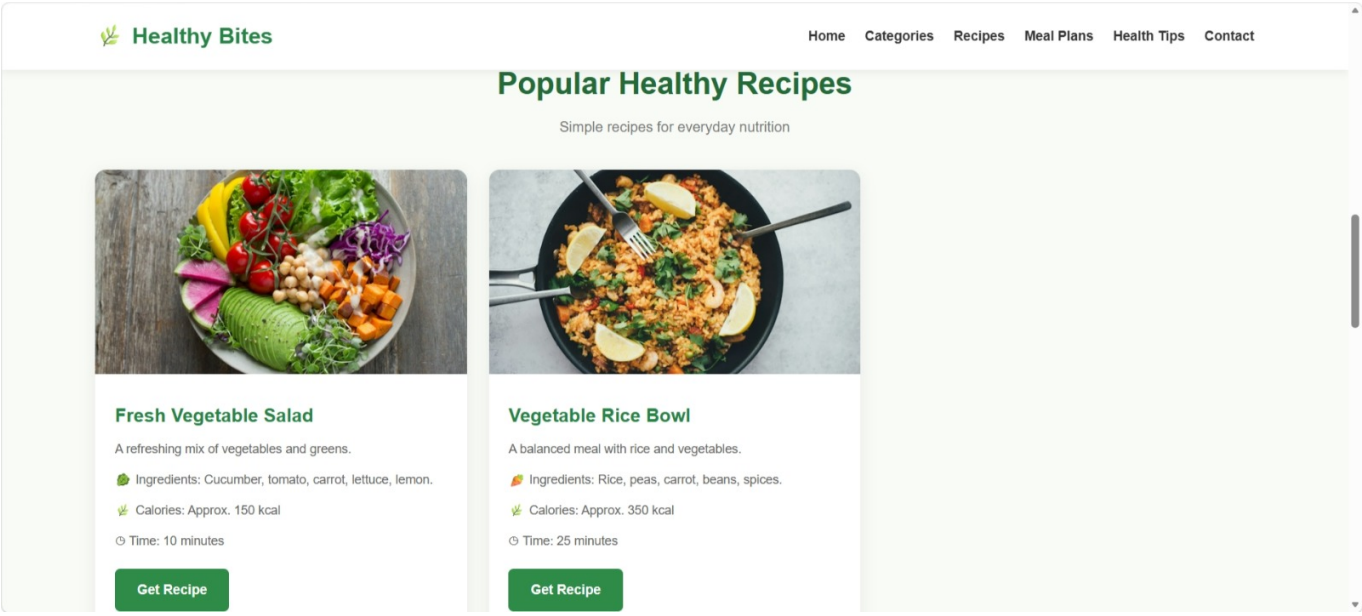

02. Healthy Bites - Categories

Food categories include salads, fruits, breakfast choices and protein-rich foods.

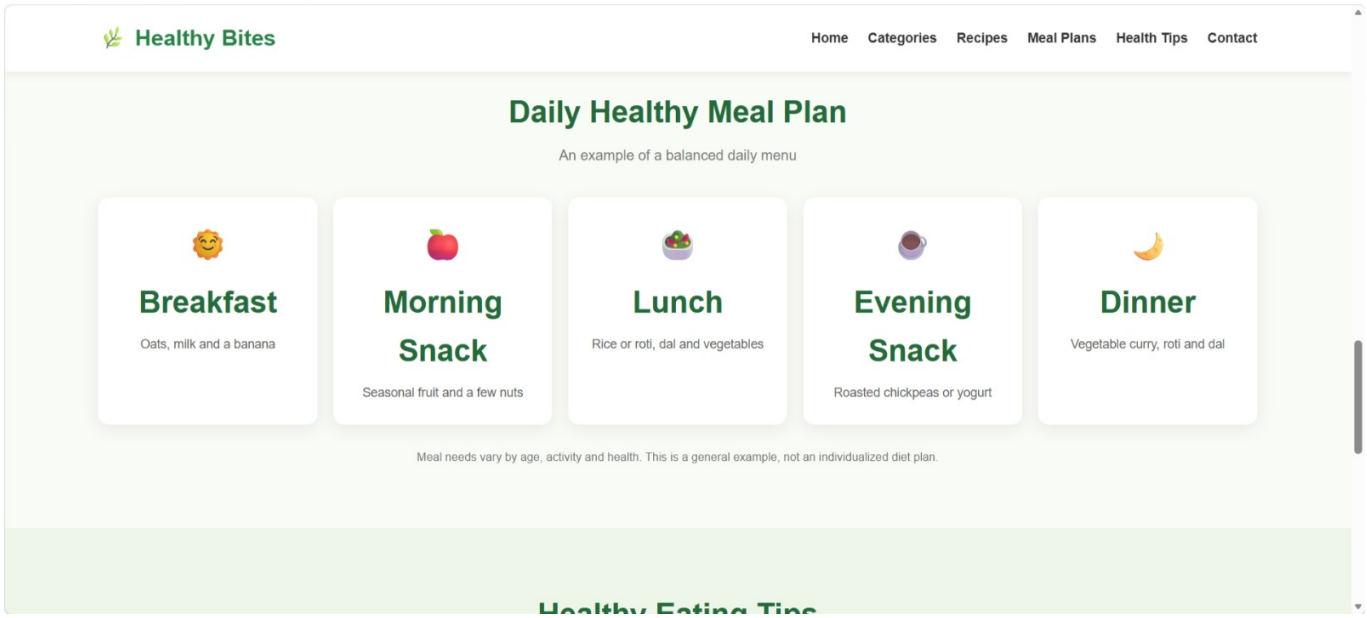

03. Healthy Bites - Recipes

Recipe cards show ingredients, preparation time and example nutrition information.

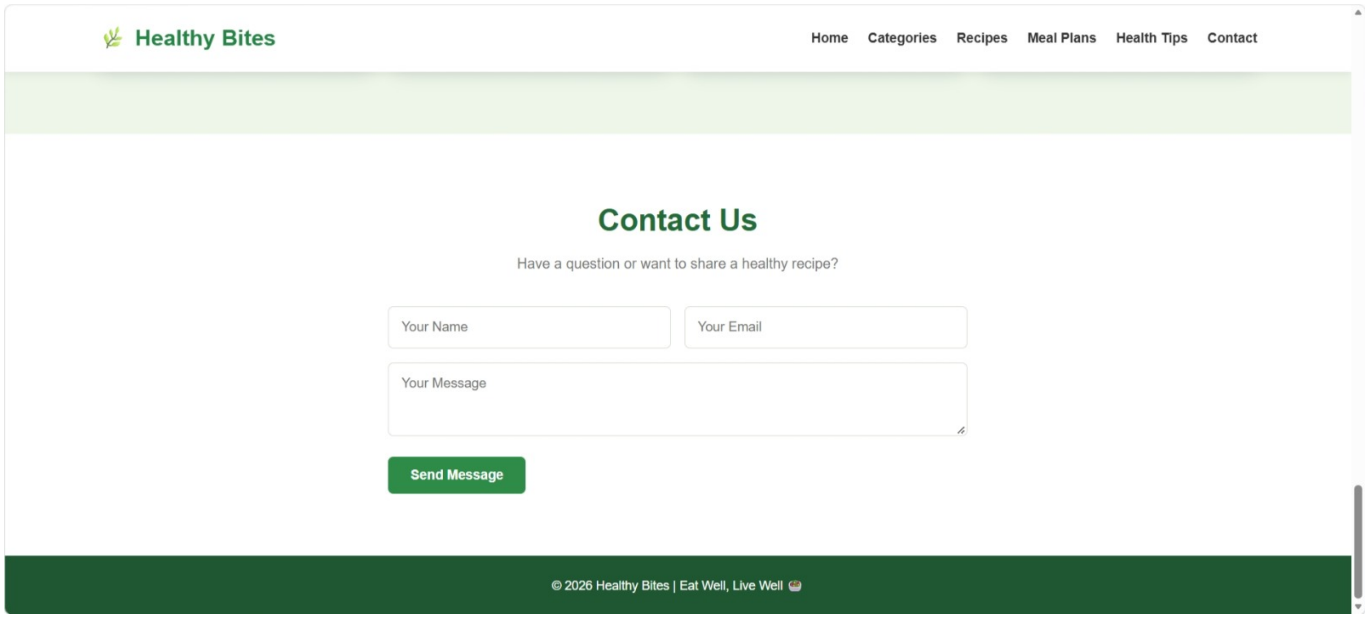

04. Healthy Bites - Meal Plan

A sample daily meal plan presents breakfast, snacks, lunch and dinner.

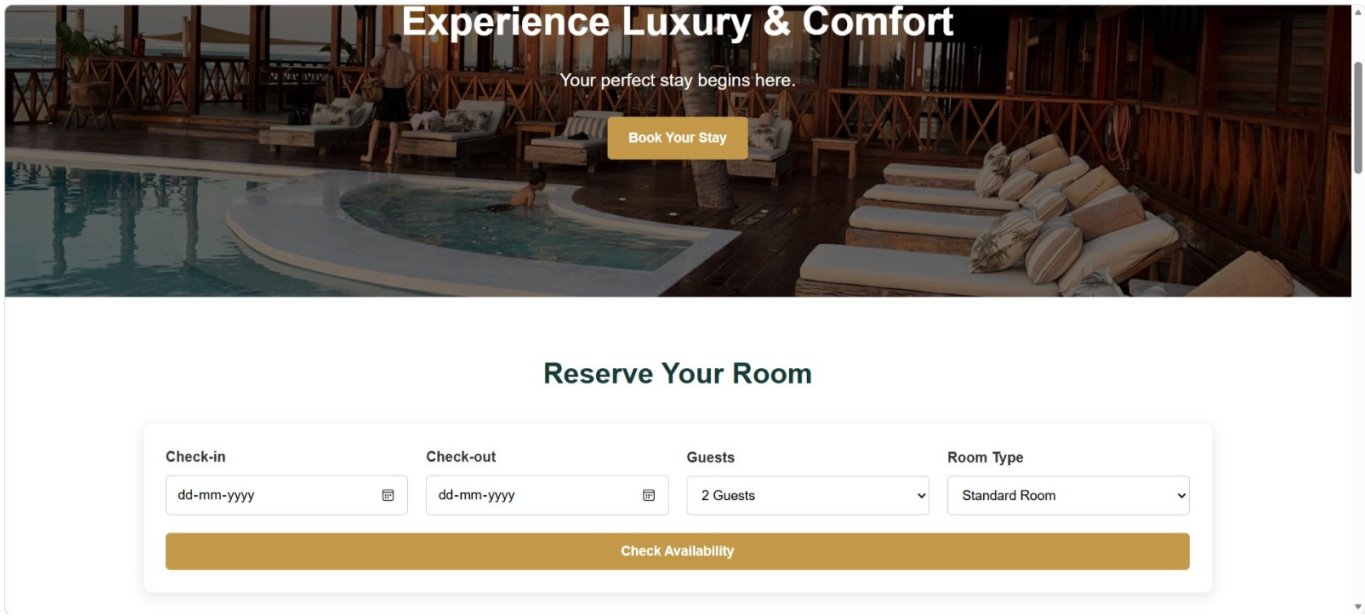

05. Healthy Bites - Contact

A simple contact form lets visitors enter their name, email and message.

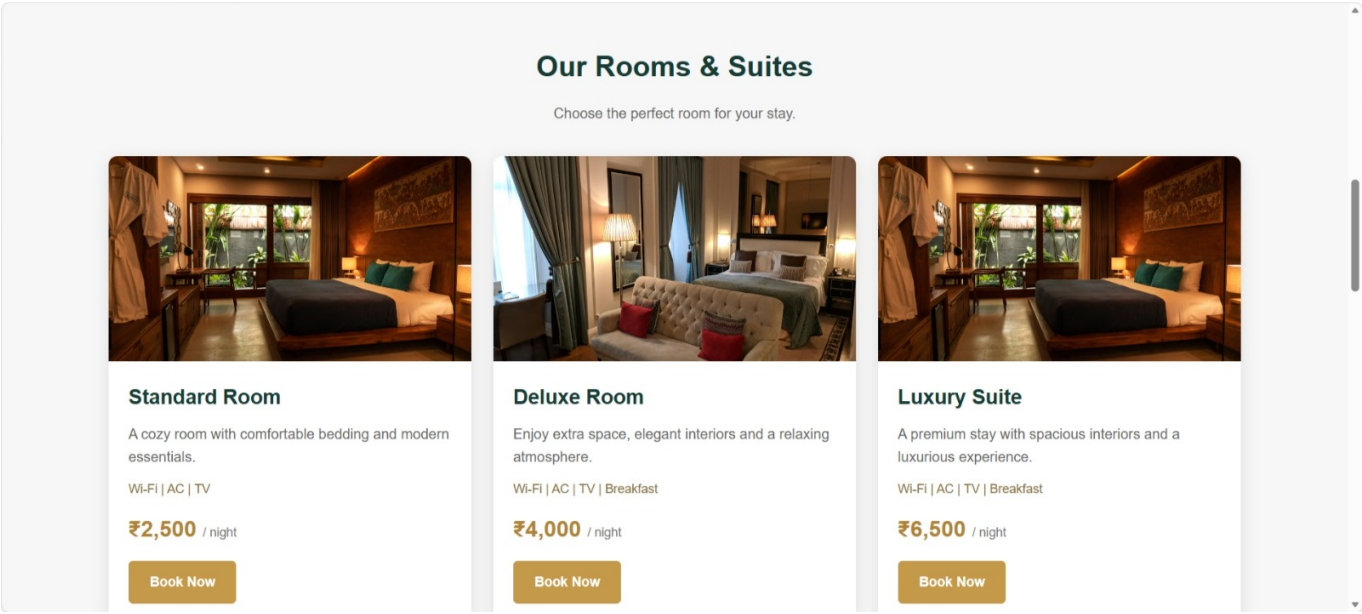

06. Grand Palace Hotel - Welcome

The hotel landing section promotes a comfortable stay and invites visitors to book.

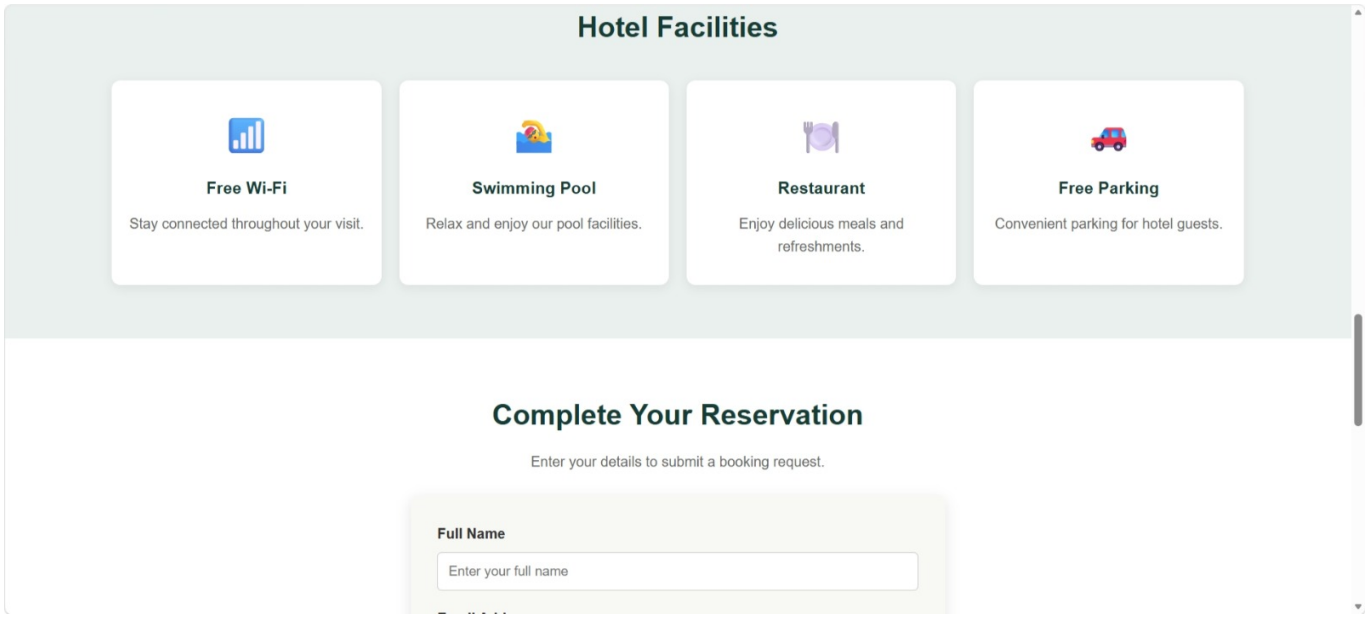

07. Grand Palace Hotel - Rooms

Room cards display standard, deluxe and luxury options with prices and amenities.

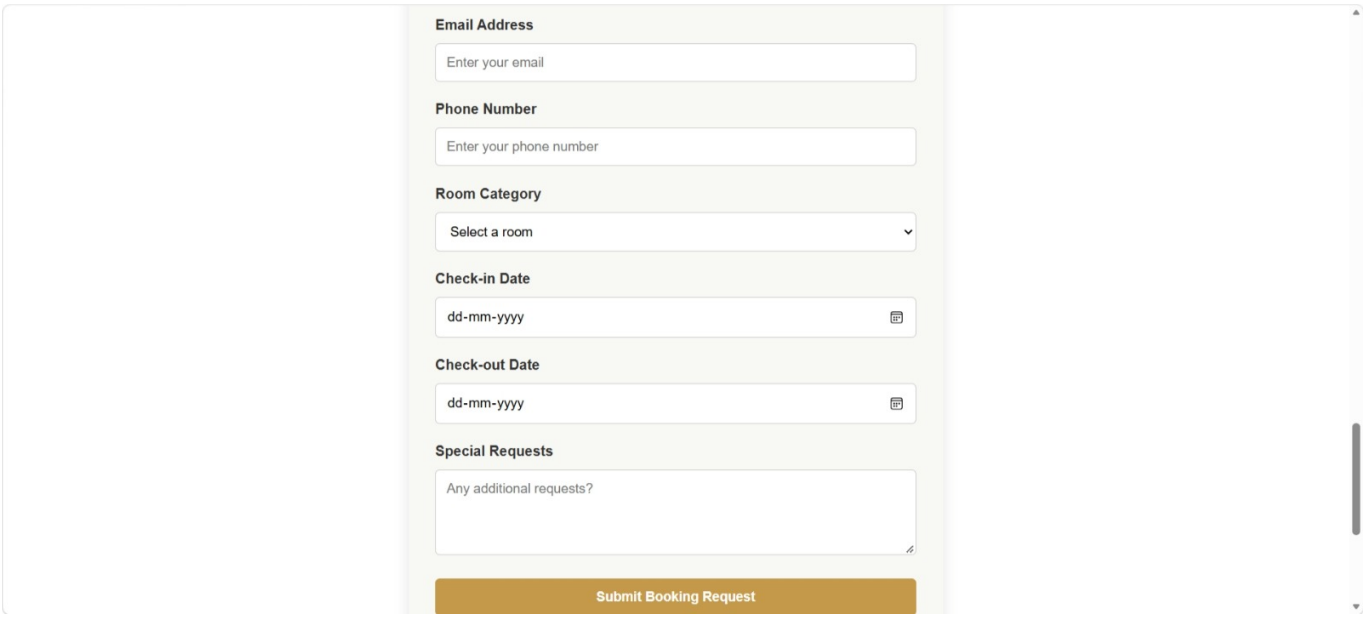

08. Grand Palace Hotel - Facilities

Facility cards highlight Wi-Fi, a pool, dining and parking.

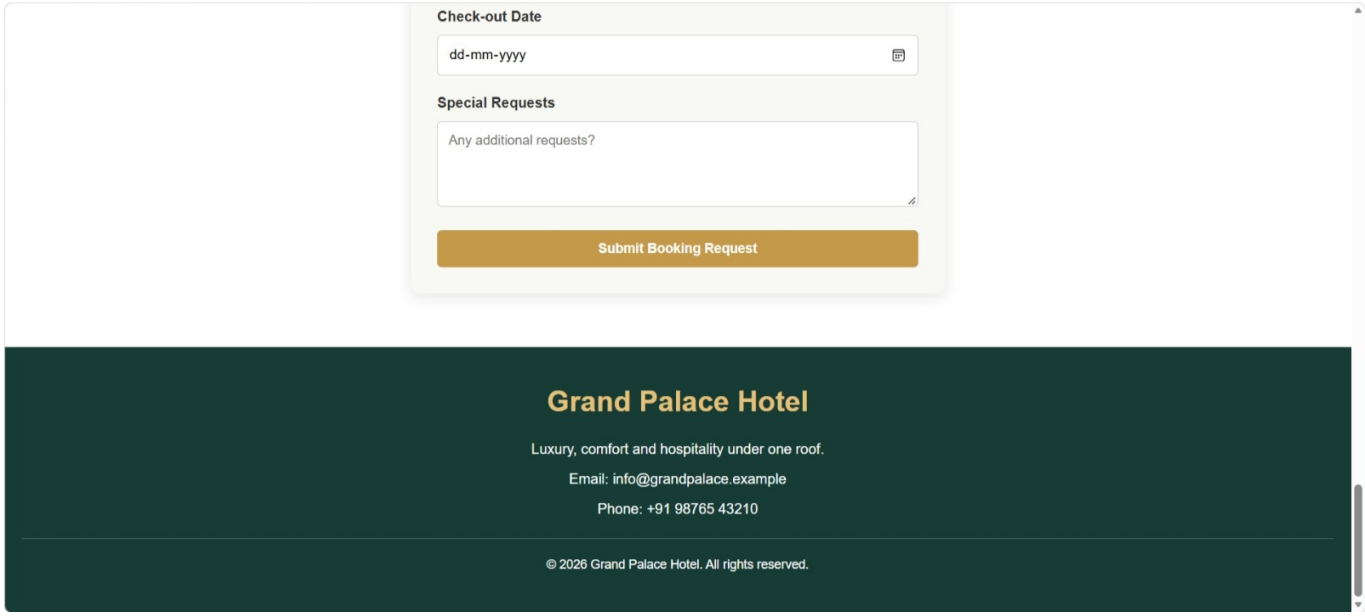

09. Grand Palace Hotel - Reservation Form

Guests can provide contact information, room type, dates and special requests.

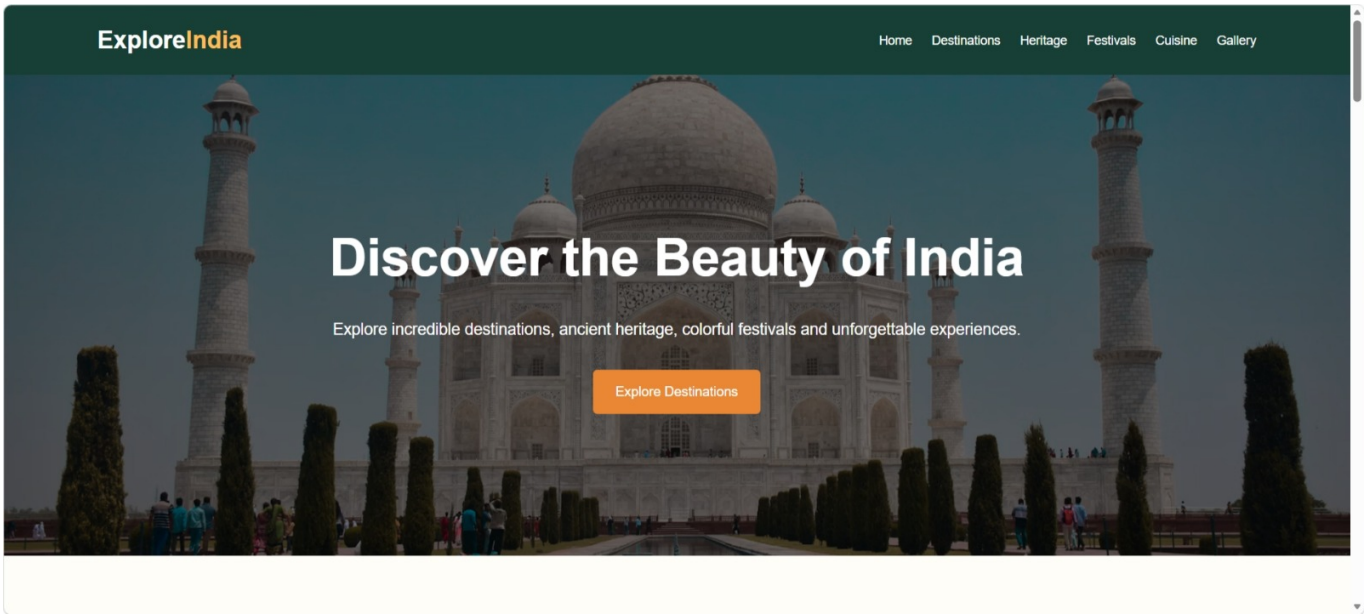

10. Grand Palace Hotel - Footer

The booking section concludes with a request button and hotel contact details.

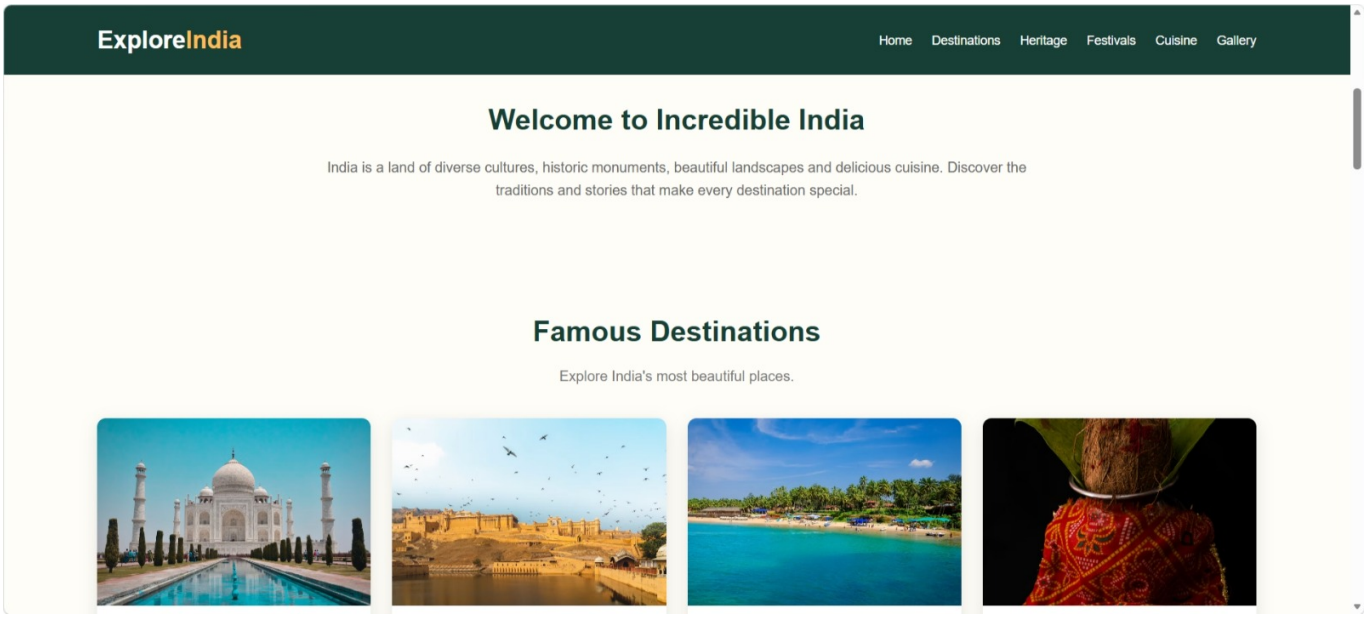

11. Explore India - Introduction

The tourism website introduces Indian culture and popular travel destinations.

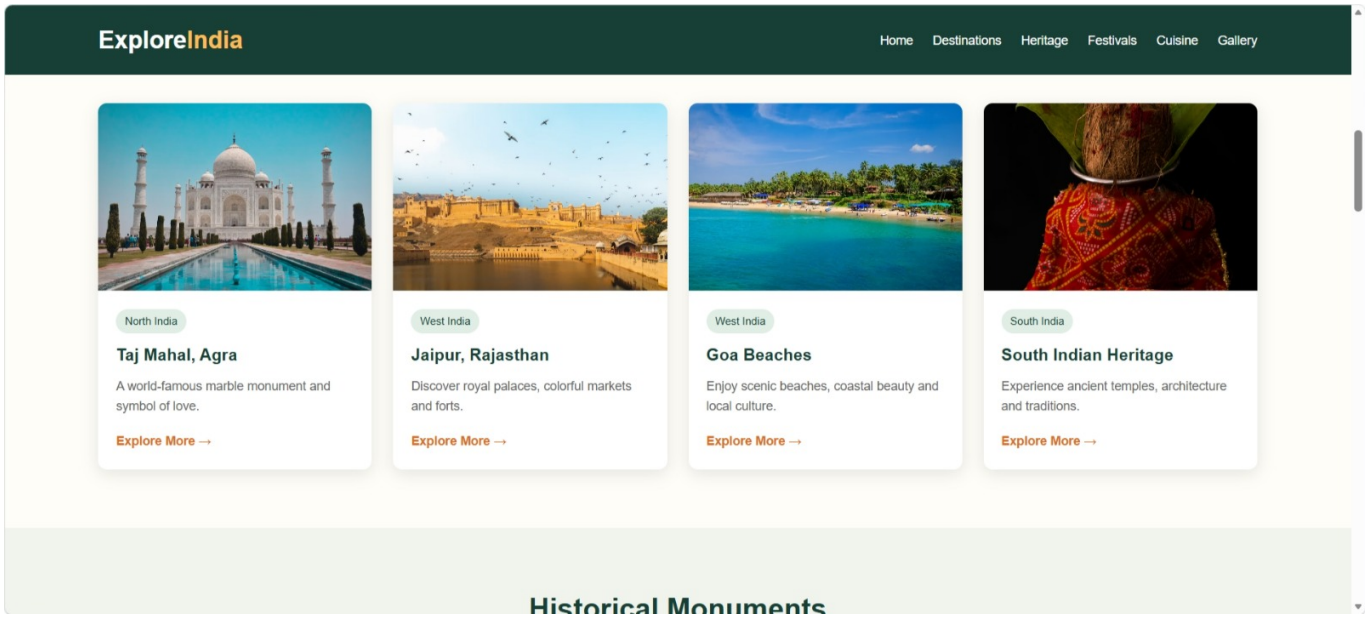

12. Explore India - Destinations

Destination cards feature the Taj Mahal, Jaipur, Goa and South Indian heritage.

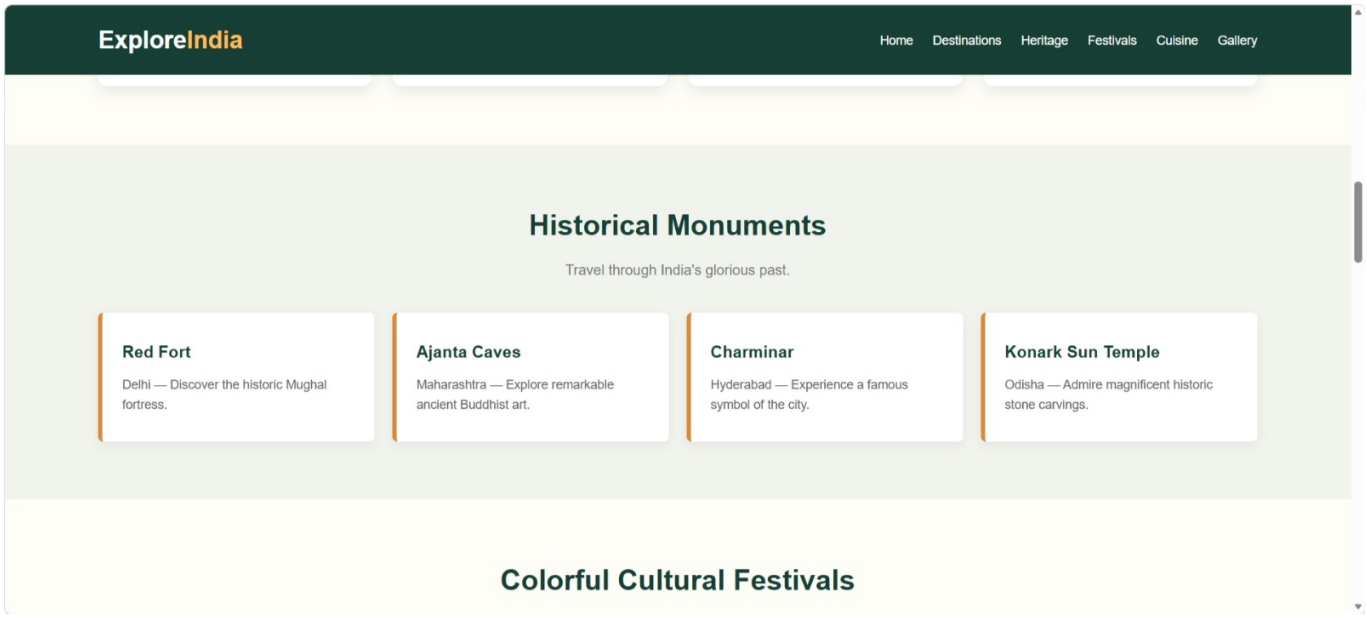

13. Explore India - Hero Banner

A full-width Taj Mahal banner encourages visitors to explore India.

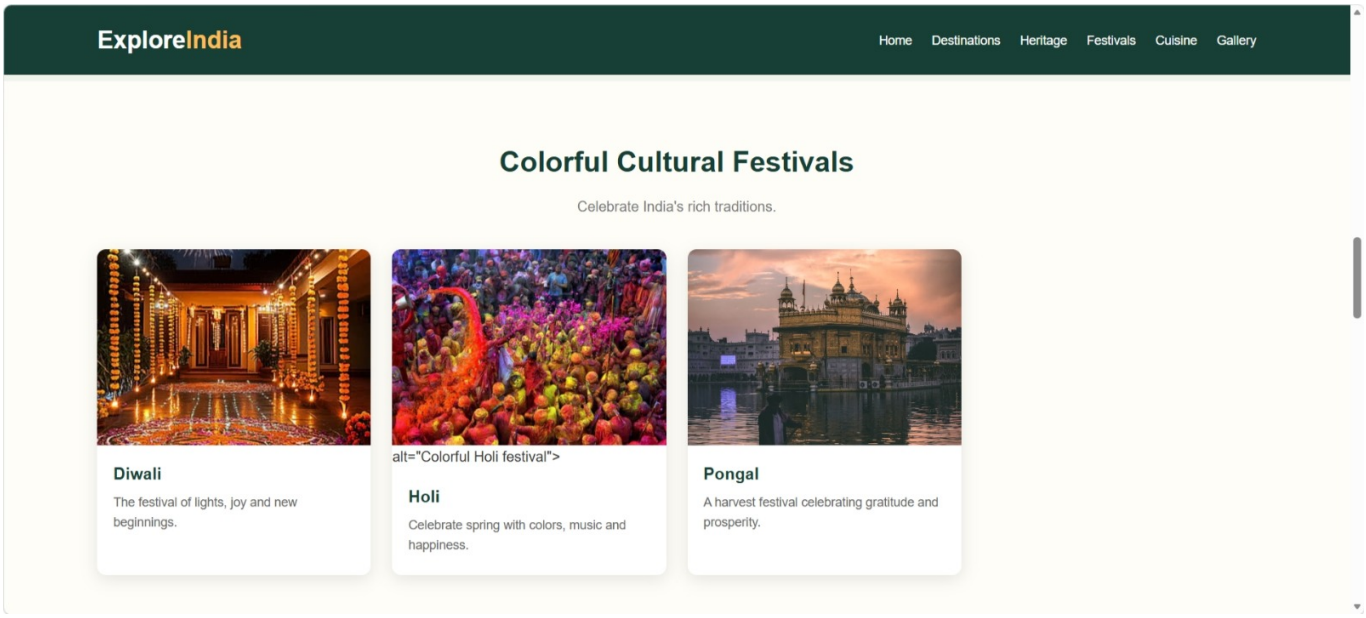

14. Explore India - Heritage

Historical monuments include Red Fort, Ajanta Caves, Charminar and Konark Sun Temple.

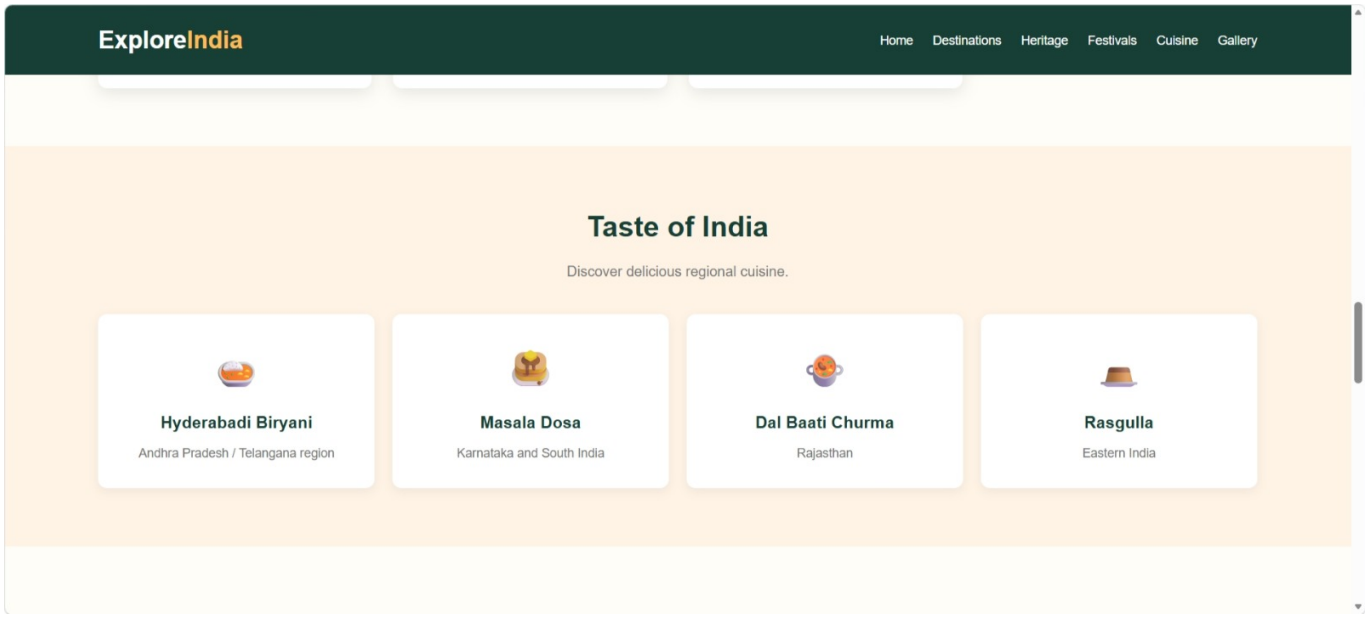

15. Explore India - Festivals

Festival cards describe Diwali, Holi and Pongal celebrations.

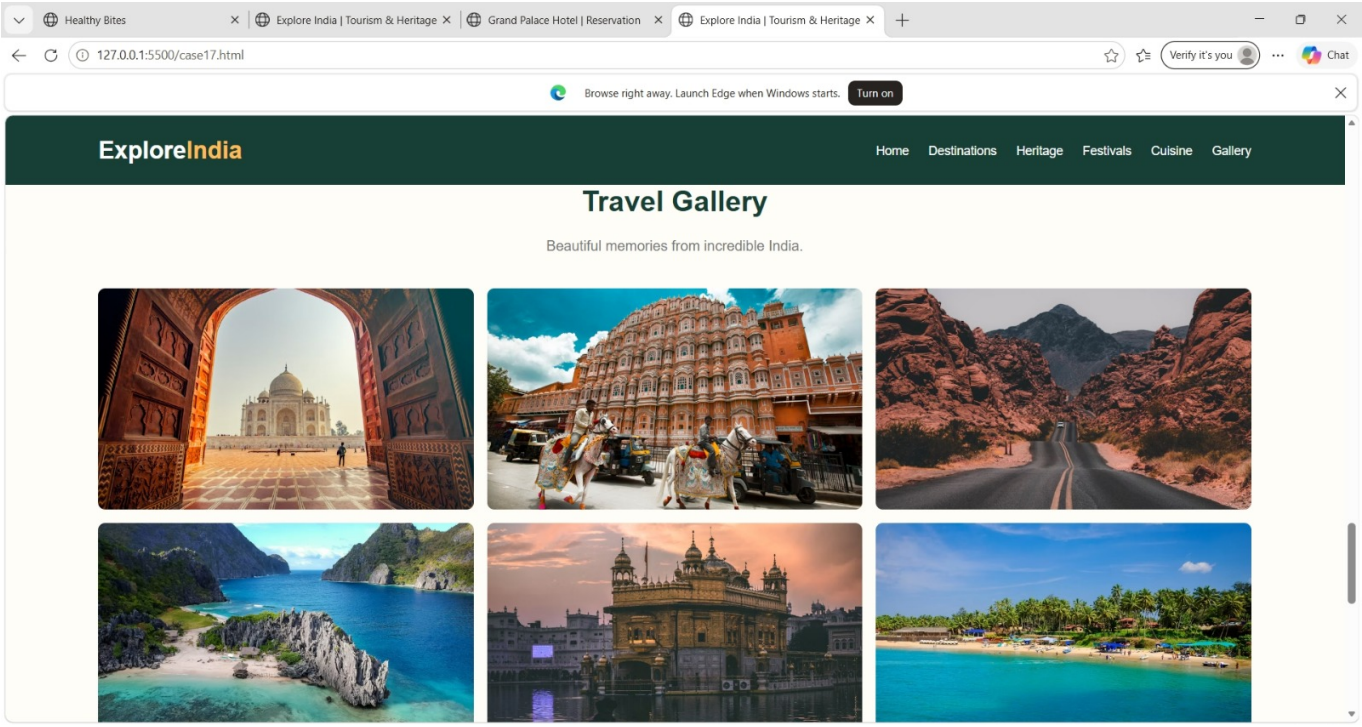

16. Explore India - Cuisine

Regional food highlights include biryani, dosa, dal baati churma and rasgulla.

17. Explore India - Gallery

A photo gallery presents scenic views and iconic Indian landmarks.

18. Explore India - Enquiry

Visitors can submit their travel preferences using an enquiry form.
